

Brewed Best

Quality Assurance Program

Since 2017, Java Momma has been committed to selecting and producing only the highest quality products.

As part of our commitment to you, we introduce the ***Brewed Best Initiative***.

We promise to triple check your order for:

- correct roast (light/med/dark)
- proper grind (wb/fp/au)
- right flavor/blend
- order completion
- proper packaging
- address check

You will see the triple check on your invoice. There will be three initials indicating your package has been ***Brewed Best***.

If your order doesn't meet the ***Brewed Best*** standard, please call Melissa Shoop, CEO toll free at:

855-5BREWED
